

The work of **cross**teach**** is an ongoing work that enables thousands of young people in schools to critically engage with the Christian message. We have to raise a large amount of money every year to make this possible. Your support and encouragement through prayer and financial giving is invaluable to sustain our work and for it to flourish.

"The ideas have been great, the resources have been well prepared and extremely useful for the pupils and the lessons themselves have been of a high standard. Thank you for all your hard work, effort enthusiasm and brilliant work. I know I'm not the only person in the department who uses the materials and worksheets you have produced in my own teaching. I would have no hesitation in recommending **cross**teach**** to any school"
